THE SYMBOLS IN INSTRUCTION MANUAL

	Read the instruction manual before using.
	CE conformity.

ADDITIONAL SAFETY WARNING

- Performance levels and pictogram associated are marked on each glove.
- Ensure your gloves are intact before and during use and replace if necessary.
- Usage limit: Do not use out of the scope of use defined in the instructions above.
- If these gloves are meant for arc welding uses:
WARNING! they do not provide protection against electrical shocks caused by defective equipment or powered work, and the electrical resistance is reduced if the gloves are wet, dirty or soaked in sweat, which may increase the risk.
WARNING: Do not use when there is a risk of caused by moving machinery.
LATEX: Elasticated wrists and latex coated gloves may cause allergic reactions.

INTENDED USE

Ideal for general-purpose, carriers, machining operators and landscaping with reinforced knuckle strap, rubberized safety cuff. Cowhide is one of the heaviest leathers, making it very tough wearing and durable.

- Wing style thumb increases flexibility and lessens fatigue
- Rubberized safety cuff for added protection
- Cotton canvas back increases breathability

SPECIFICATIONS

Model No.	HGVC01
Size	10.5"
Material	cowhide leather, cotton back & rubberized cuff
Lining	half lining
Type of packaging	1pair/paper card

CERTIFICATE AND NORMS

The product complies with the following standards:

BS EN ISO 21420:2020
